

# Turkey Bonds

Instructions:

Level 1

1. Cut along the perforated lines (Pg2).
2. Arrange the numbers 1 to 5 such that the sum of numbers in a row is equal to the sum of numbers in a column. One example is shown on the right.
3. Try as many combinations as you can, there is more than one answer.

Extension:

1. Try it for numbers 2 to 6!
